ORDER NO.

SUBJECT:

Discuss with the Commission the Appointment of Administrative Hearing Officers.

COMMISSION ACTION:

It has come to my attention that a number of procedural or non-dispositive matters from various dockets without hearing officers may come up and need rulings between our Commission business meetings. If this Commission is not available to rule on such matters, it appears to me that we need to appoint standing hearing officers under S.C. Code Ann. Section 58-3-40 who can rule, subject to review by this Commission at the next available business meeting upon request by a party to the affected dockets. Accordingly, I move that we appoint Jocelyn Boyd, Joseph Melchers, and David Butler as standing hearing officers, and that we direct them to rule on any procedural or non-dispositive matters that may come up in dockets without appointed hearing officers between Commission business meetings. Again, any rulings made by them will be subject to review by this Commission at the next available business meeting upon request by a party to the specific docket ruled upon.
